Dear Sirs,

We are pleased to inform you that we have setup state of art ICD (Inland Container Depot) at Madurai Aruppukottai Road, just adjacent to the Airport complex and 142 Km from Tuticorin Port, 288 Kms from Cochin Port and 456 Kms from Chennai Port.

Initial and First phase of Infrastructure has been created on 27.78 acres of land, Customs notified as ICD area. We have a total area of 70 acres of land which can be utilized for various client specific requirements.

KERN ICD Madurai created to extend all our possible support to enhance your Warehousing & Logistics VISION and to be part of a truly dedicated state of art venture providing 24 x 7 service.

We have highlighted the facilities in this profile for your perusal and take this opportunity to invite you to visit our ICD to reinvent your Customs Clearance, Warehousing & Logistics requirements, for a long lasting cherished business association with us.

It's created with a futuristic vision to serve and provide solutions for a unified logistics experience at your door step, at best cost and time, customized to independent trade members and the trade community as a whole.

We assure you that we will provide you personalized service with respect to all your consignments at all times.

Best Regards,
The KERN ICD Team
Madurai.
